About Us

Fine Arch Technical Services LLC, was established in 2018 for the exclusive fabrication and maintenance of solid surface projects. By investing in technology and experienced craftsmen, **"Fine Arch"** has quickly established itself as one of the leading specialized solid surface fabricators.

As a 3D Dimensional Thermoforming Specialist with state-of-art machinery including a Vacuum Thermo former and CNC Work, we can manipulate solid surface in ways others could not even contemplate making your imagination our only limitation.

We are proud to be an Authorized **Dupont Corian®** and **Samsung Staron** as Fabricator and a Quality Network Member. All of our work is to DuPont's strict guidelines and is backed up with Products 10 Years Warranty.

Being a young company, we strive to meet and exceed the expected standards of performance through fair pricing, quality workmanship, timely deliveries and superb customer service.

"Fine Arch" has established a respected high-end customer base of repeated satisfied customers, which we always try hard to retain.

Our Mission and Vision

Our Mission

Our mission is to serve our clients by executing state of art custom designed Solid Surface products to the highest standards that wins complete customer's satisfaction.

Our Vision

Our vision is to source innovation and advanced industrial solutions to support our esteemed clients through applying new techniques that enhance their design needs.
